MEMORANDUM

TO: Bidders
FROM: Patrick Flood, Deputy Secretary
DATE: July 7, 2009
SUBJECT: HPRP RFP

Dear Colleagues:

After a tremendous amount of collaborative work, AHS is sending you a copy of the RFP for the Homelessness Prevention and Rapid Re-Housing Program. We are sending it to you because you have expressed an interest in this very important work.

For potential bidders, please note the deadlines in the proposal. I also strongly urge you to read the HUD notice and forms (<http://www.hudhre.info/HPRP/>). There are requirements in that document that we chose not to repeat verbatim in the RFP. There is a time frame for asking questions, and we will share questions and answers with everyone. We will still do everything we can to respond to proposals as they come in, to speed up the process.

I want to thank everyone who has been involved and contributed. Homelessness is a scourge and I am heartened by how much caring you have all shown to do this right, and to do it in partnership.
